

August 15, 2002 Meeting Minutes

- Meeting called to order
- Treasurers Report – Review of itemized income, expenses, and balances
- Questions & debate over the Ray Oatman court case. Bud Forbes stated that the By-laws are clear. Tom Noel addressed the comment that this is NOT a personal issue between Ray & him. Tom was informed of the fence violation, he investigated, met with a quorum of LPPOA officers that at the May meeting it was brought before the membership and the membership voted to pursue the case. This led to the long debate as to whether Richfield Township is enforcing the building codes and properly monitoring the permits issued.
- Membership voted on Article 7 Sec. 3
- Membership voted on Article 10 Sec. 2
- Membership voted on Article 11 Sec. 3
- Membership voted down an association building approval form
- By-law changes will be recorded and revised by-laws distributed at the next meeting.
- Ray Oatman volunteered to be responsible for putting the Buoys in and out each season. Paul and Rod will assist him.
- Dues must be paid to have a dock space. This has been a problem for several seasons that unpaid members are utilizing a dock and paid members are not using the dock space or putting a dock in at all. Questions regarding how to police this and how to track down owners by their MC Numbers ensued. No definitive method agreed upon. First reading of the change to Article 10 Sec. 5 in the by-laws to address this problem. Second reading will be in the form of a mailer sent to the membership prior to the May 2003 meeting.
- Names must be on each dock space as per the by-laws
- Reading of missing persons wanted by the Treasurer.
- Meeting adjourned
